euro truck simulator 2 - fantasy paint jobs pack

I fantasised (hehe) about this kind of paint-jobs a long time. They look all very nice one by one. They are so detailed and I believe they're a real piece of art. I still hope these kind of DLCs might get an update some day to add more..

=). It's always been my....fantasy to have these types of paint jobs in a game.. Just nice and good dlc i like this dlc good job scs :)  
10V10. Cool wizard upon mine truck, makes you comfortable as a duck.. good skin :). SCS are laughing at us, releasing thirty  
DLCs and charging more for them than the game itself. Complete rip off.. very nice paint pack. Who DOESN'T want a  
goddamn gnome casting a fireball on the side of their truck? No one. 10V10. Best paintjobs ever!

euro truck simulator is love euro truck simulator is lyfe ;DDDDDDD this game is the best ever. Maybe one of the Bets paint DLC for ETS\u00b2 .... Much Paints and all are awesome, nicely made and original. All of them fit perfectly with all Trucks :) Don't forget this one if you are a Fantasy Paint lover ;). does it avaiable in all service stations? Will it come in online also?. My only regret about this simulator\game is that it's not multi-player... competition or co-op. No better way to show-off that new paint!!!. Good paintjobs
